

Accura Gold Portal — Customer User Manual

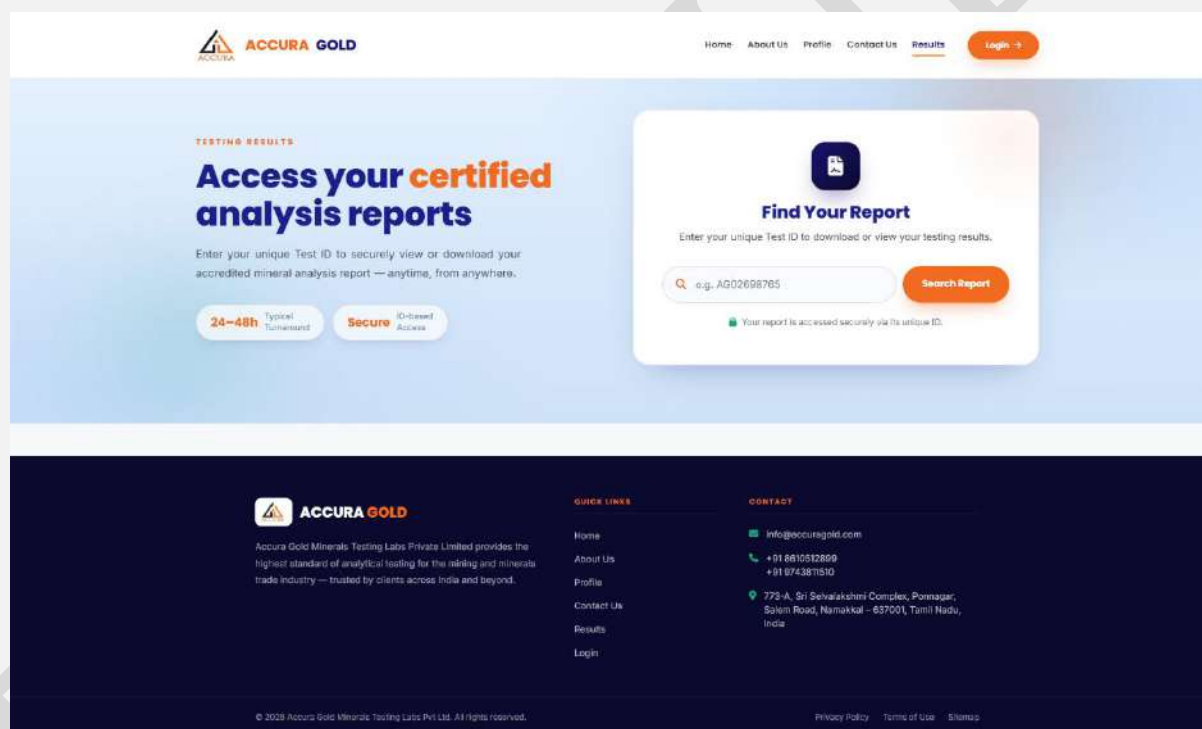

Welcome to the **Accura Gold Portal** Customer Manual. This guide provides quick, step-by-step instructions for visitors and customers to access, view, or download their certified mineral analysis reports securely.

1. Accessing the Results Page

Step 1.1: Navigate to Results

- Open your web browser and go to the official website: <https://accuragold.co.in>
- Click on **Results** located in the top navigation menu.

(Insert Image: The Results page layout featuring the "Find Your Report" box)

2. Retrieving Your Report

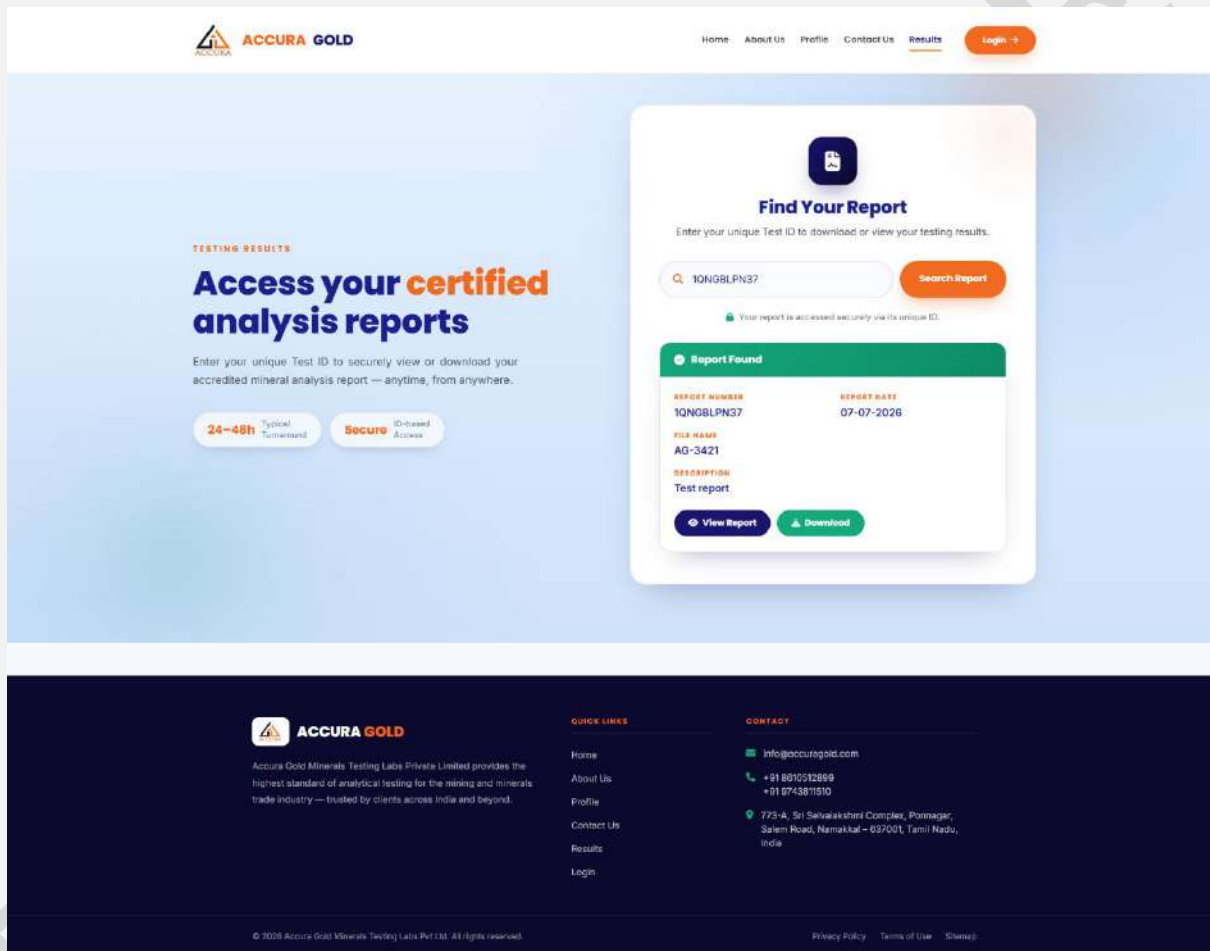

Step 2.1: Enter Your Test ID

- Locate the **Find Your Report** box on the right side of the screen.
- In the search input field (labelled with a search icon and placeholder text like e.g. AG02698765), enter your unique **10-digit alphanumeric report number** shared with you by the administration (e.g., 1QNGBLPN37).

Step 2.2: View and Download

- Click the orange **Search Report** button next to the input field.
- Upon verification, your secure, certified analysis report will open, allowing you to instantly view or download your results.

 **Security Note:** Your report is entirely confidential and accessed securely via its unique ID, ensuring that only individuals with the correct 10-digit code can view the findings.

The screenshot displays the Accura Gold website's 'Find Your Report' interface. The header includes the Accura Gold logo and navigation links: Home, About Us, Profile, Contact Us, Results, and a Login button. The main content area features a large heading 'Access your certified analysis reports' with a subtext 'Enter your unique Test ID to securely view or download your accredited mineral analysis report — anytime, from anywhere.' Below this are two buttons: '24-48h Typical Turnaround' and 'Secure ID-based Access'. To the right, a 'Find Your Report' section prompts the user to 'Enter your unique Test ID to download or view your testing results.' A search input field contains '1QNG8LPN37', and a 'Search Report' button is next to it. Below the search bar, a message states 'Your report is accessed securely via the unique ID.' A 'Report Found' section displays the following details:

REPORT NUMBER	REPORT DATE
1QNG8LPN37	07-07-2026
FILE NAME	
AG-3421	
DESCRIPTION
