

Accura Gold Portal — Admin User Manual

Welcome to the **Accura Gold Portal** Admin Manual. This step-by-step guide is designed to help administrators efficiently navigate the portal, manage reports, view customer messages, and handle user accounts.

1. Accessing the Portal

Step 1.1: Navigate to the Portal

- Open your web browser and go to the official website: <https://accuragold.co.in>
- Click the **Login** button located at the top-right corner of the homepage.

Step 1.2: Sign In

- On the **Sign In** screen, enter your designated **Username** and **Password**.
- Click the orange **Sign In** button at the bottom of the form.

2. Dashboard Overview

After a successful login, the **Admin Dashboard** page will appear.

(The main Admin Dashboard showing Total Reports and Total Messages)

The dashboard provides a quick summary of portal activity:

- **Total Reports:** Displays the total number of analytical testing reports uploaded to the system.

- **Total Messages:** Displays the number of contact inquiries sent by website visitors.

Use the left-hand blue sidebar menu to navigate through the different sections.

3. Managing and Uploading Reports

Step 3.1: View Recent Uploads

- Click on **Upload Reports** from the left sidebar menu.
- This will display a table showing all currently uploaded reports, complete with their *ID*, *Report No*, *File Name*, *Date*, *Description*, and available *Actions*.

(The Upload Reports dashboard page with the yellow "Upload Report" button circled)

Step 3.2: Uploading a New Report

1. Click the yellow **Upload Report** button located at the top-right of the reports table.
2. The **Upload Report** modal window will appear

3. Fill in the following required information:

- **Date:** Select or confirm the report date.
- **File Name:** Enter a recognizable name for the file.
- **Description:** Add relevant notes or test details.
- **Upload File:** Click **Choose File** to browse your computer and select the document. *(Allowed formats: PDF, XLS, XLSX).*

4. Click the yellow **Upload** button at the bottom right.

 **Important Note:** Once the data is successfully uploaded, a **10-digit alphanumeric number** (e.g., 1QNGBLPN37) will be generated. Share this 10-digit number with the customer so they can securely access their specific report.

4. Viewing Visitor Messages

Website visitors can send inquiries through the contact forms on the main site. To view these:

- Click on **Messages** in the left sidebar.
- You will see all messages sent by visitors, including their **Name**, **Email**, **Subject**, **Date**, and **Status**.
- Click the blue **View** button under the *Action* column to open and read a specific message.

Step 5.2: Fill User Information

- When the **Create User** modal appears, fill out all fields:

A screenshot of a 'Create User' modal window. The modal has a dark header with the title 'Create User' and a close button (X). The form contains several input fields: 'Name', 'Username', 'Email', 'Mobile', and 'Status'. The 'Status' field is a dropdown menu currently showing 'Active'. Below these fields is a light blue box containing the text 'Default Password: Accura@2026'. At the bottom right of the modal is a yellow button labeled 'Save User'. In the background, a table is partially visible with columns 'Name' and 'ADMIN', and rows containing 'Smruti S' and 'ADMIN'.

- **Name**
- **Username**
- **Email**
- **Mobile**
- **Status:** (Set to *Active* or *Inactive*)

- Note the default system credential:

Default Password: Accura@2026

- Click the yellow **Save User** button to complete the process.

6. Security and Account Settings

Step 6.1: Changing Your Password

To maintain platform security, change your password regularly:

1. Click on **Change Password** in the left sidebar.
2. Enter your **Current Password**.
3. Enter your **New Password** and re-type it in the **Confirm Password** field.
4. Click the yellow **Update Password** button to save.

The screenshot displays the ACCURA GOLD Admin Panel interface. On the left is a dark blue sidebar with the following menu items: Dashboard, Upload Reports, Messages, Create User, Change Password (highlighted in orange), and Logout. The main content area is white and features a 'Change Password' modal form. The form has three input fields labeled 'Current Password', 'New Password', and 'Confirm Password'. Below these fields is a prominent yellow button labeled 'Update Password'. In the top right corner of the admin panel, the text 'Welcome Admin' is visible.

Step 6.2: Logging Out

- When you are finished using the portal, click **Logout** at the bottom of the left sidebar to safely end your session and protect sensitive customer data.

“Thank You”
