Sub: Automation and Monitoring of Loan and advance given by the State Government.

Ref: UOI No 294(F)M dated 23.06.2025

Sir,

In inviting a reference to the subject cited above, it is to state that the proposal regarding entrusting this office with the responsibility of maintaining detailed accounts of Loans and Advances made by the State Government to State PSUs, Local Bodies, ULBs, and Development Authorities has been examined.

In this regard, it is to state that this office is already maintaining subsidiary accounts of loans and advances and the corresponding figures are duly captured in the Finance Accounts of the State. However, to maintain the detailed accounts as requested in the proposal and maintaining of individual loans alongside the repayment of principal and interest payment, this office requires elaborate discussion with Finance Department and Financial Advisers of all concerned Departments for requisite data and other supporting documents.

Further review of the records indicated that during the financial year 2025-26, total six departments disbursed loans and received repayments, and two departments were recorded repayments only without furnishing the corresponding loan details. Additionally, outstanding loans from other eight departments are already depicted in the Finance Accounts (list of department enclosed).

In view of the above, it is proposed that a meeting may be convened, with the participation of the Financial Advisors (FAs) of all concerned departments listed in the enclosure and representatives of the loanee organizations, to ensure the proper availability and sharing of required data and supporting documents with this office for seamless maintenance of loans and advances as proposed.

The venue, date, and time of the meeting may please be intimated to this office.

Encl.: As above

Yours faithfully

(Swami Shubham Vaijanath)
Deputy Accountant General
